

UNDER CONSTRUCTION

contact Jeshu Ram or Ken Bluemel.

Skyline Kidz is under construction. We are presently in process developing a new program and structure that will bless your children, grow them spiritually and equip them to become effective for the Kingdom of God in this world. You are a vital part of the process, so... if you want to volunteer please

Skyline Facilities Update As most of you know our anchor tenant ATT vacated the building in January. Since that time, we, along with our parent organization, Grace International the owner of the property have been seeking a resolution. That has not yet happened. The options presently on the table are: selling the facilities and acquiring a right-sized facility, or allowing 4140 to return to those holding the note and leasing back, or not leasing back and leasing a "warehouse style" facility very near by (presently, our relocation team has been seriously considering two properties.) I assure you Skyline has an incredibly bright future. You and I are part of the fulfillment of the Skyline's vision to fulfill her role in reaching Natomas, Sacramento and the world for Christ. Our work is to love Him, love others with His love, maintain personal and church integrity and work hard. We believe God above all has the answer for every challenge. He is able. We have not seen anything yet.

Skyline Christian School We are so pleased to announce that SCS which opened mid-semester 09 is registering new students day-by-day. Perhaps you saw our add in the Natomas Shopper or received a door hanger at your home. With the present cutbacks and class size changes in the public schools, Skyline Christian School offers a very attractive and favorable alternative. SCS is in a nut-shell affordable excellence in Christian School education for grades K-8. For more information visit us at SkylineChristianSchools.org or call 916-779-4149.

Skyline World Missions This has been an interesting year for Skyline Missions. The wonderful part is that Skyline's local outreaches have taken on a strong presence with Terracina Gold Apartments and local homeless and convalescent ministries. Our short term teams have had to be canceled (with the exception of our Student Ministries outreach to Mexico for home construction and evangelism... good on you Students!) Our church building team to Mindanao has been canceled due to an upsurge in violence in the area. Thus far, \$1400 project money for the construction of a church has come in. That is presently held in a special account. Because there were only two sign-ups for the Romania team, we have canceled the trip. The Missions Council is presently reviewing those missionaries supported. Presently Skyline sends out approximately \$1200.00 per month support. About half of these funds come from pledges and half from SCC general tithe fund.
